JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

on the 29th ultimo, arriving in New York seventeen days later. The child must have been ill from five to seven days when isolated.

Also I am informed by the health authorities that 7 cases of the disease have been found and isolated at Gowanda, a town some 30 miles from this city on the Erie Railway, and that all exposed persons, 100 in number, have been quarantined, vaccinated, and are under observation.

Respectfully,

EUGENE WADDIN,  
Surgeon, U. S. M. H. S.
